

CALL OF TENDERS

FOR THE SELECTION OF A SERVICE PROVIDER FOR ASSISTANCE TO UCLG AFRICA ON CORE APP AND WEB SERVER INFRASTRUCTURE SECURITY AND MAINTENANCE

CALL OF TENDERS-ASSISTANCE ON CORE APP AND WEB SERVER-UCLG A/2021

The United Cities and Local Governments of Africa (UCLG AFRICA) is the umbrella organization and the united voice and representative of local government in Africa. It results from the unification of the three pre-existing continental groupings of local governments, namely the African Union of Local Authorities (AULA), the Union des Villes Africaines (UVA) and the Africa Chapter of the União das Cidades e Capitais Lusofonas Africanas, (UCCLA).

UCLG AFRICA is an institution that gathers 40 national associations of local governments from all regions of Africa as well as the 2000 cities that have more than 100.000 inhabitants. Therefore through its membership, UCLG AFRICA represents nearly 350 million Africans citizens.

UCLG AFRICA is a founding member of the United Cities and Local Governments (UCLG) world organization, and its regional section for Africa. UCLG AFRICA is currently headquartered in the City of Rabat, The Kingdom of Morocco, where it enjoys a diplomatic status as a Pan-African International Organization.

The UCLG AFRICA Secretariat consists of the Secretary General and the administrative staff at the UCLG Africa Headquarters and at the regional offices of UCLG Africa. The Secretary General is appointed by the Executive Committee and is the Chief Executive and Accounting Officer of the administration and secretariat of the UCLG AFRICA and is accountable to the Executive Committee. Its role includes: Managing the secretariat, supervising the regional offices of the UCLG Africa; and Taking charge of the implementation of activities and programs of the UCLG AFRICA.

I- NATURE AND PURPOSE OF THE CONTRACT

1. Background

The UCLG Africa is soliciting proposals from qualified service providers to support its websites and online assets by providing infrastructure, maintenance and security update services including renewal of domain names and hosting. For sustainability purposes, the service agreement being solicited will be for a 1-year duration.

The websites are currently hosted with various providers.

The UCLG Africa staff committed to update the website content through officers with limited experience in front and back end web content management whose capacities will be strengthened through guided learning and targeted support provided under the agreement's knowledge transfer component over its 1-year duration.

2. Content of the mission

1. The service provider will provide renewal service for domain name and web hosting of the UCLG Africa,
2. The service provider will implement security and maintenance updates as needed (including to CMS, modules and core updates)
3. The service provider will maintain the website's adaptability (according to devices' screen size)
4. The service provider will be responsible for ongoing maintenance (inclusive of version updates, security updates, fixes to bugs, and daily backups) of the websites, ensuring that they continue to run smoothly and are protected from security threats.

The following requirements will be applicable to the above:

- a. The service provider will provide 24/7 support for emergencies in both French and English (regular support is only expected during regular working hours which will include a 100 hour dedicated support a month)
- b. The service provider will be responsible for new integrations, plugins, extensions and/or customizations undertaken during the migration of the website, updating/replacement of plugins, extensions and themes and their maintenance.
- c. The service provider will maintain site-wide standard security features (including for forms and logins)
- d. The service provider will perform bug fixes in a quick and reliable manner.
- e. The service provider will endeavour to transfer knowledge in responding to questions from the UCLG Africa's content officers and provide targeted coaching sessions (either remotely or in-person).
- f. The service provider must have great understanding in API integrations and e-commerce environment

3. Title of the contract

Service contract for assistance to UCLG AFRICA on core app and web server infrastructure security and maintenance.

4. Eligible conditions

Only service providers with demonstrated experience , understanding as how local government works , longevity of operations and technical competencies to provide managed services are solicited.

A short list of three service providers will be selected by UCLG Africa.

5. Duration of the contract

The duration of the contract is one year covering the period from the 1st January to the 31 th December 2022.

6. Budget

The budget available for the implementation of this contract shall not exceed 60 000 EURO.

7. Content of quotation

The quotation should contain the following sections and information:

Qualifications

- a) Business profile: Brief overview of product and services.
- b) Team Organization/Expertise: Brief of team members that will be assigned to the project, experience

Technical Proposal

- a) Approach: Proposed strategy and options to address the full list of requirements.
- b) Responsibilities and Work Processes: This section should outline expected divisions of roles and responsibilities, as well as workflows between the service provider and the UCLG Africa.
- c) Project Management of service agreement

Financial Proposal

The financial proposal may include the following.

The UCLG Africa proposes a monthly bank of hours that can be divided between maintenance and security update requirements, troubleshooting, and new development requests (if needed) that will be determined through monthly planning meetings.

8. Contractual conditions

By submitting an offer, the tenderer accepts the conditions of this contract.

Submission of a tender binds the contractor during the entire performance of the contract.

Once UCLG Africa Secretariat has accepted the tender, it shall become its property and it shall be treated confidentially. It is the understanding of the contractor that UCLG Africa will not be held responsible for any liabilities or compliance to intellectual or other rights stemming from its realization of the contract's provisions.

UCLG Africa shall not reimburse expenses incurring in preparing and submitting tenders.

9. No obligation to award the contract

The tendering procedure does not create any obligation for UCLG Africa to award the contract.

Tenderers, whose tender will not be accepted may not claim any compensation, including when UCLG Africa will decide not to award the contract.

II. STRUCTURE OF THE OFFER AND GENERAL INFORMATION

1. Documents to be submitted

- 1) Technical offer
- 2) Financial offer

2. Points to be noted

- 1) Offers shall be submitted as specified in the invitation to tender
- 2) Offers can only be submitted in English
- 3) Tenderers shall carefully read and complete the tender declaration form (declaration of honor)
